

1. Download setup file from “Get Demo” link

The screenshot shows a web browser window at [www.vcharting.com/buysellsignal.php](http://www.vcharting.com/buysellsignal.php). The website has a dark blue header with the Vcharting logo and navigation links: HOME, PRODUCTS, SERVICES, BLOG, DOWNLOAD, CONTACT US, BUY, and MEMBER AREA. Below the header, there are price indicators for different timeframes: Monthly (INR 1,100), Quarterly (INR 2,850), Half-yearly (INR 5,250), and Yearly (INR 9,500). A red box highlights the 'Get Demo' button in the 'Monthly' section. A large red arrow points to this button. To the right of the price list is a candlestick chart with a blue line indicating a trend. Below the price list, there is a note: "ABOVE PRICES ARE INCLUSIVE OF MT4 DATA FEED." At the bottom of the browser window, the Windows taskbar is visible. A red box highlights the taskbar icon for 'VchartingSureTrend.exe', which is also labeled in the taskbar. The system clock in the bottom right corner shows 13:47 on 06/02/2018.

Monthly Quarterly Half-yearly Yearly

INR 1,100 INR 2,850 INR 5,250 INR 9,500

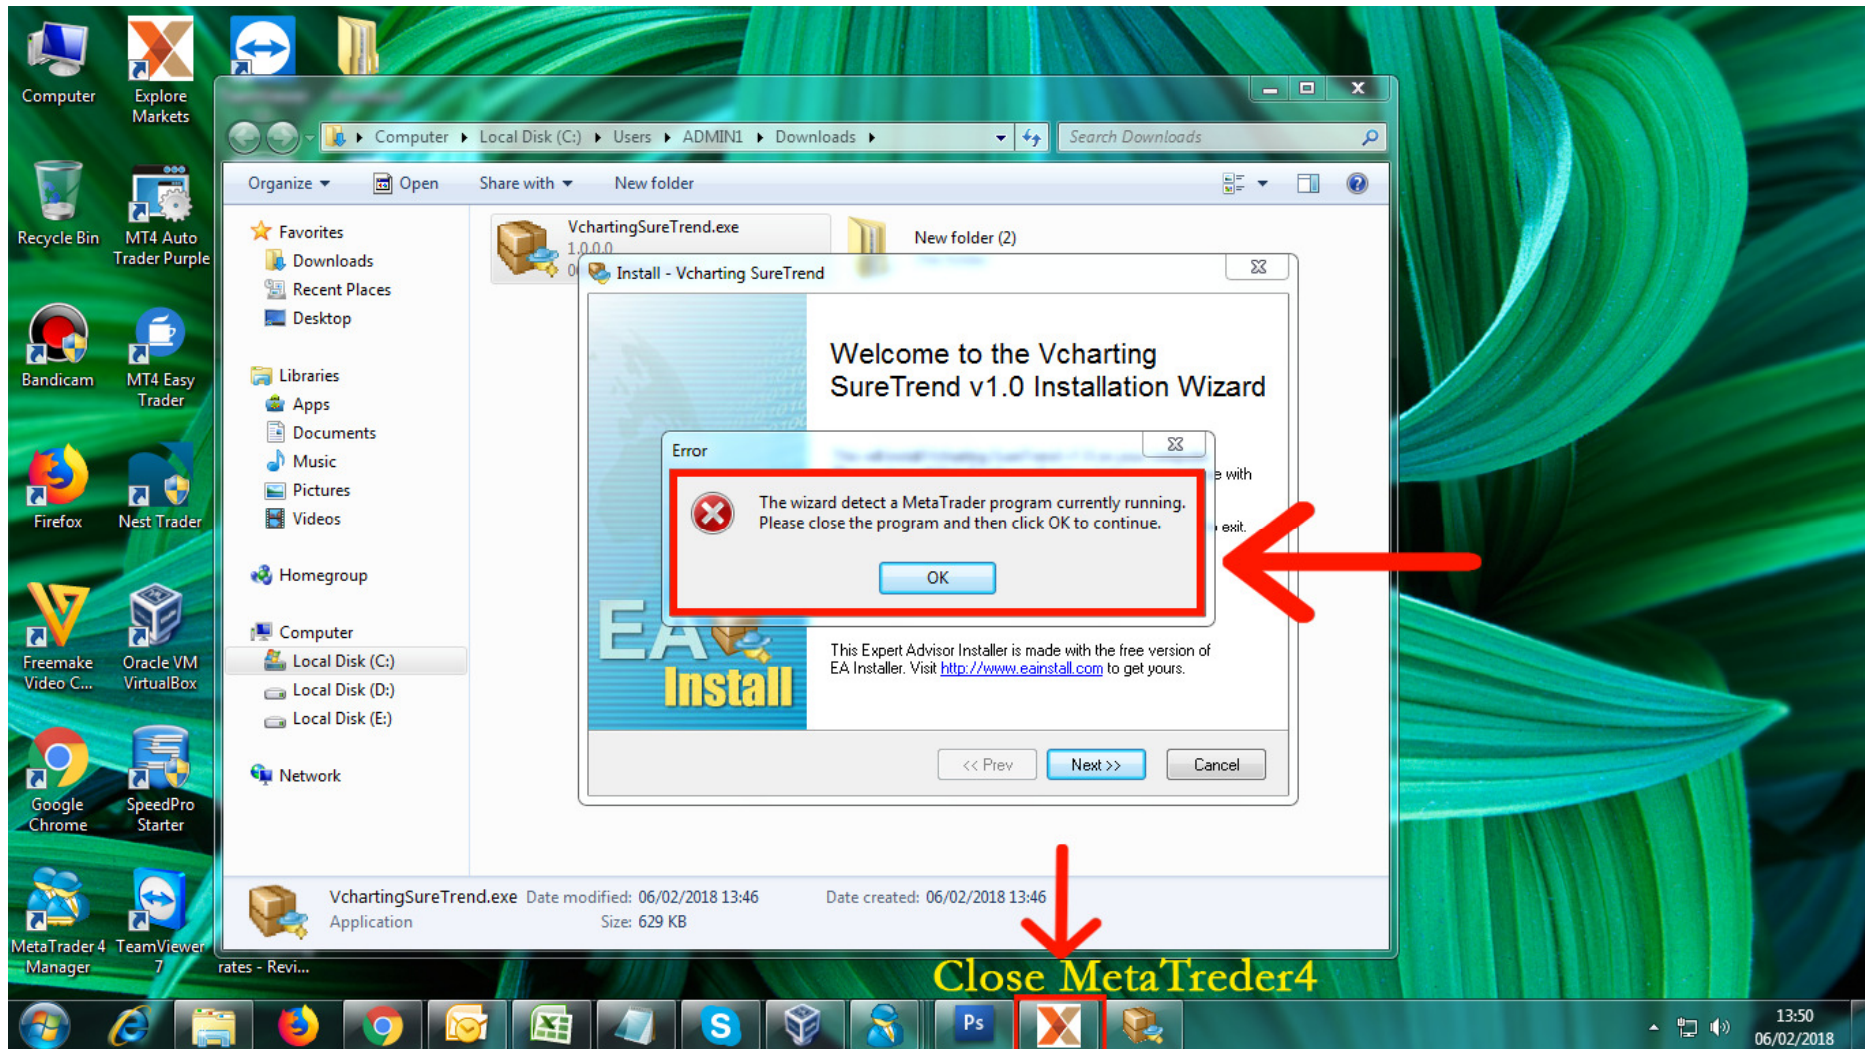

ABOVE PRICES ARE INCLUSIVE OF MT4 DATA FEED."

VchartingSureTrend.exe

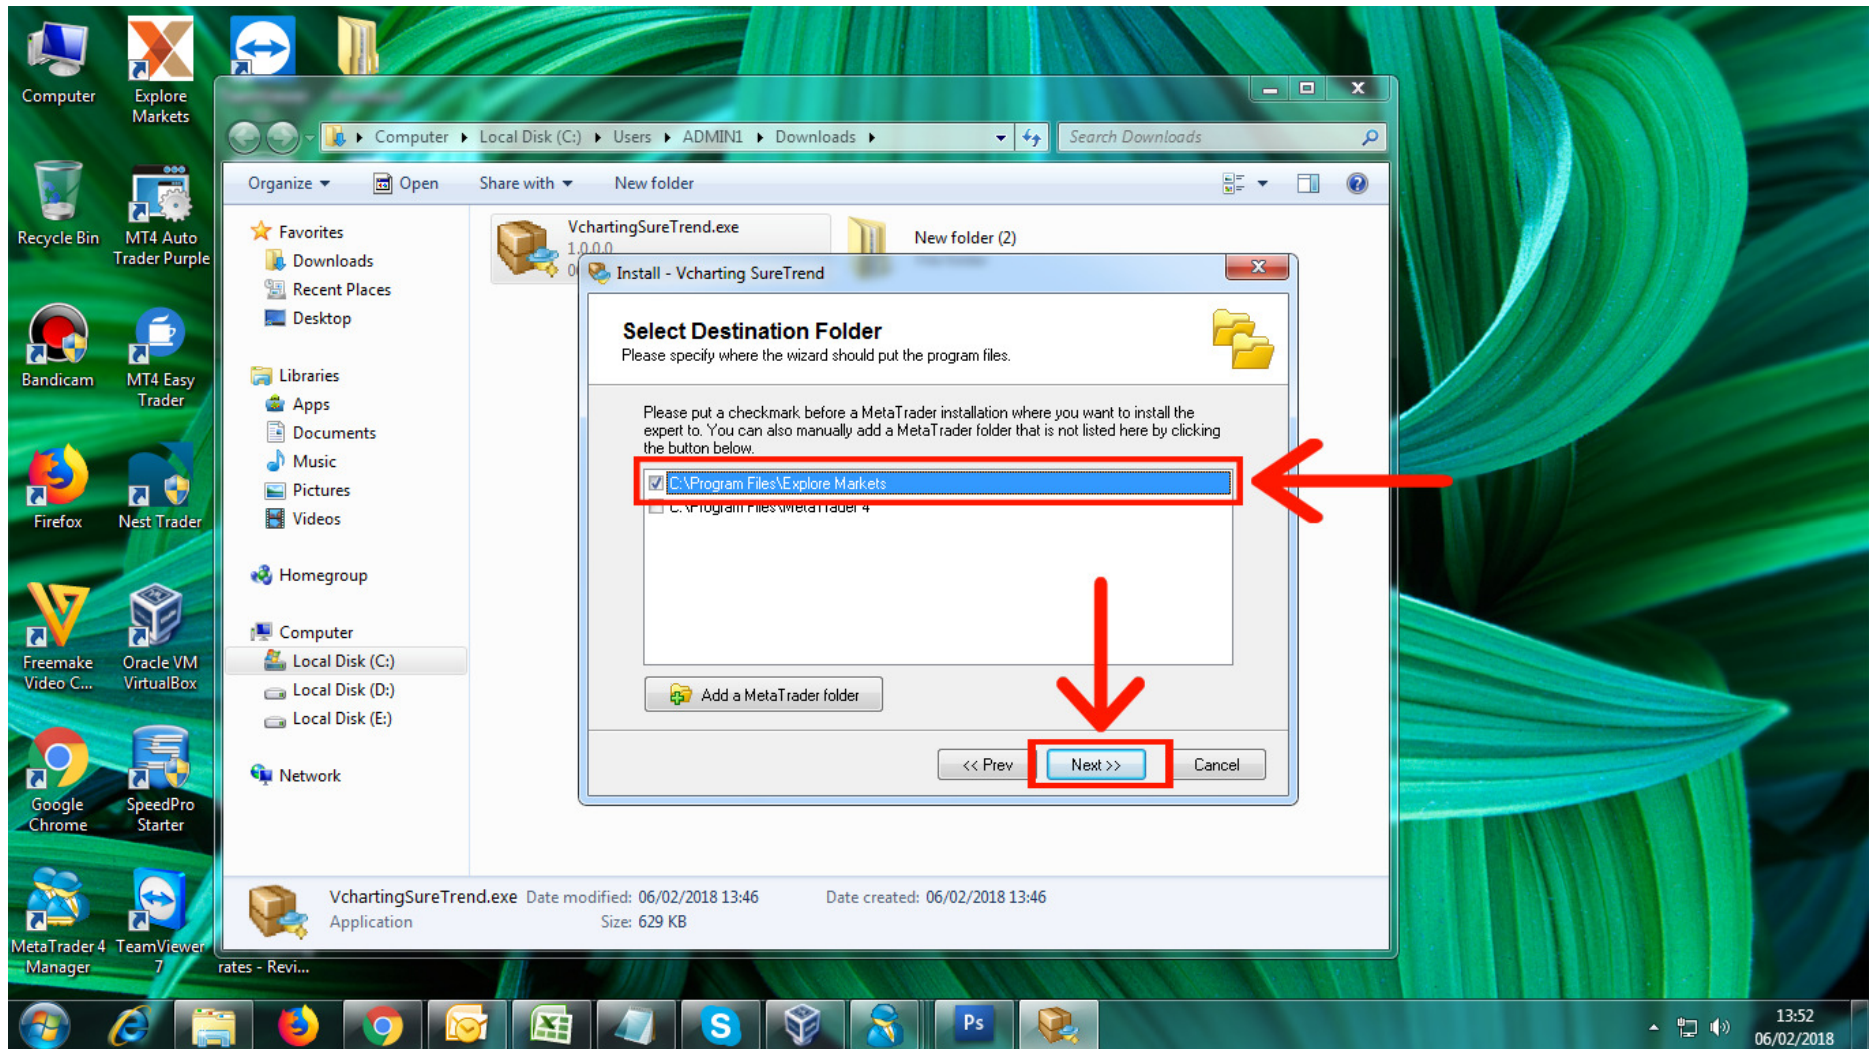

13:47 06/02/2018

2. An exe file will be downloaded. Run and install this exe file. If any Metatrader4 is open, this exe file will not run. So close any open MT4 and then run exe.

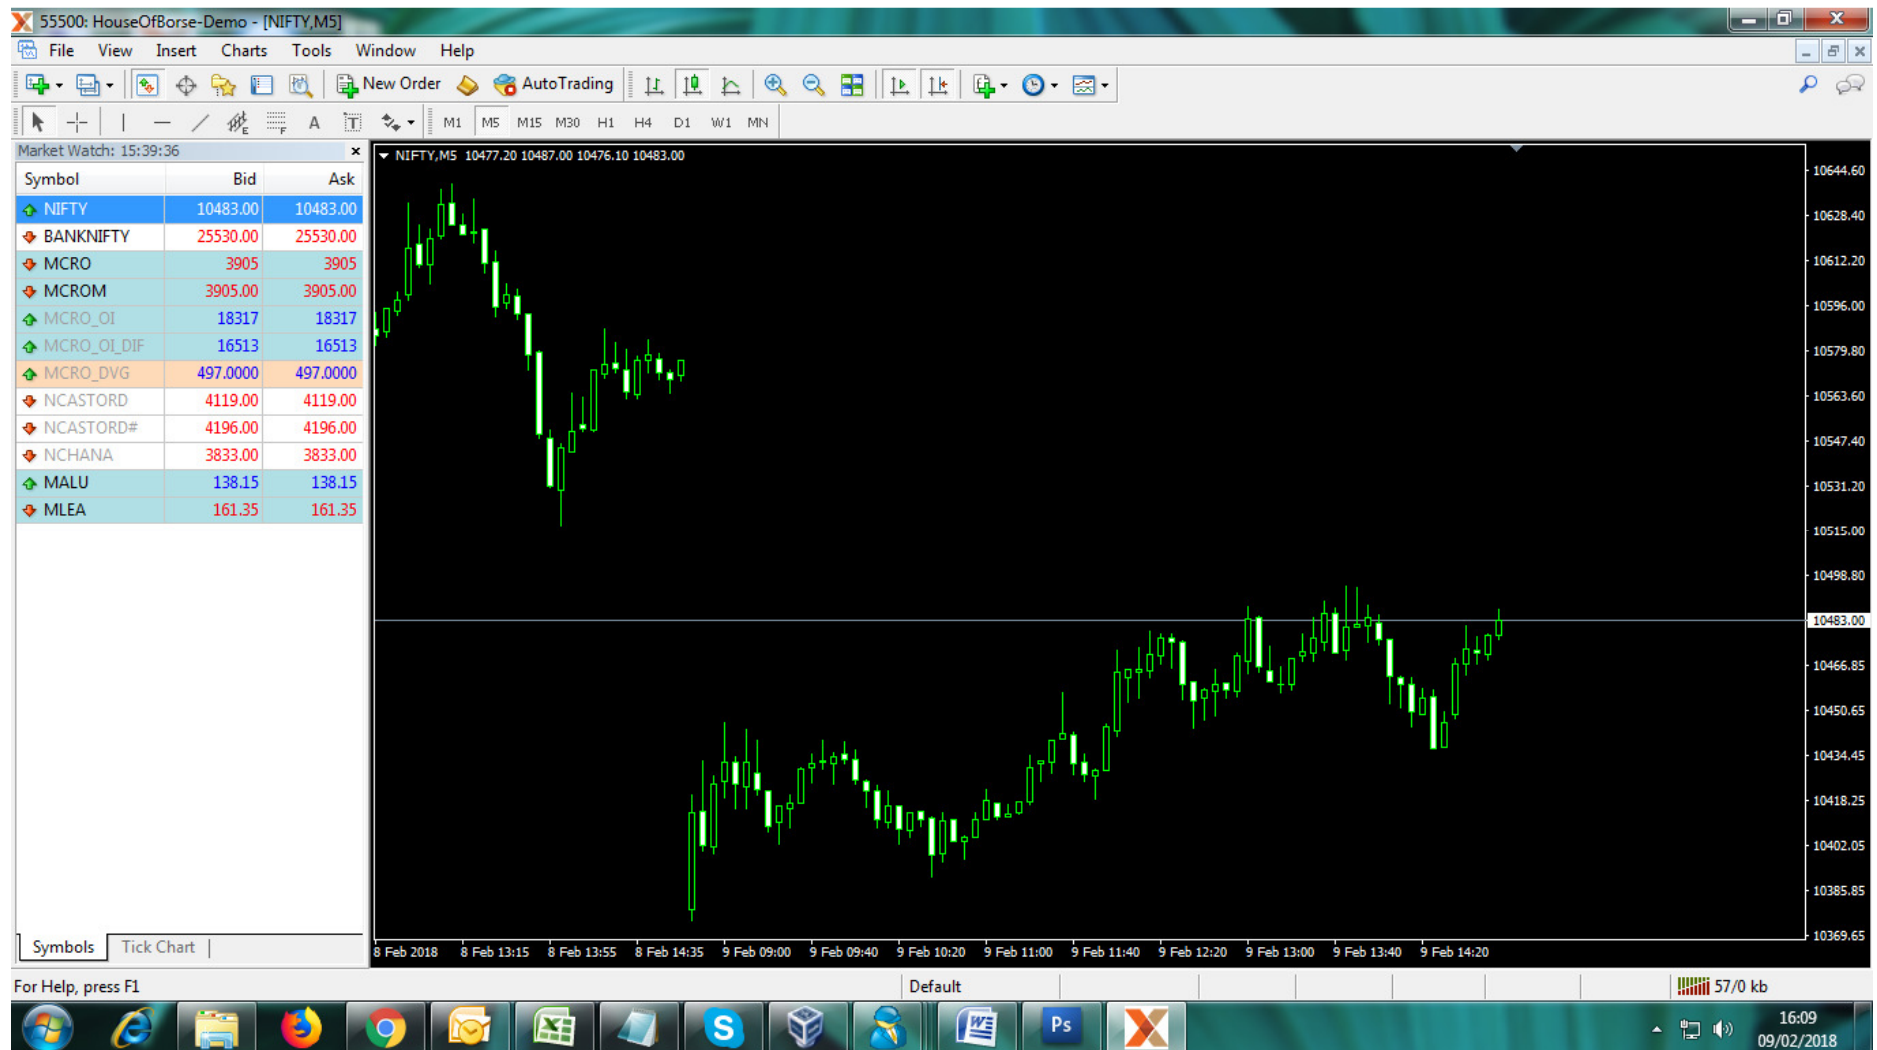

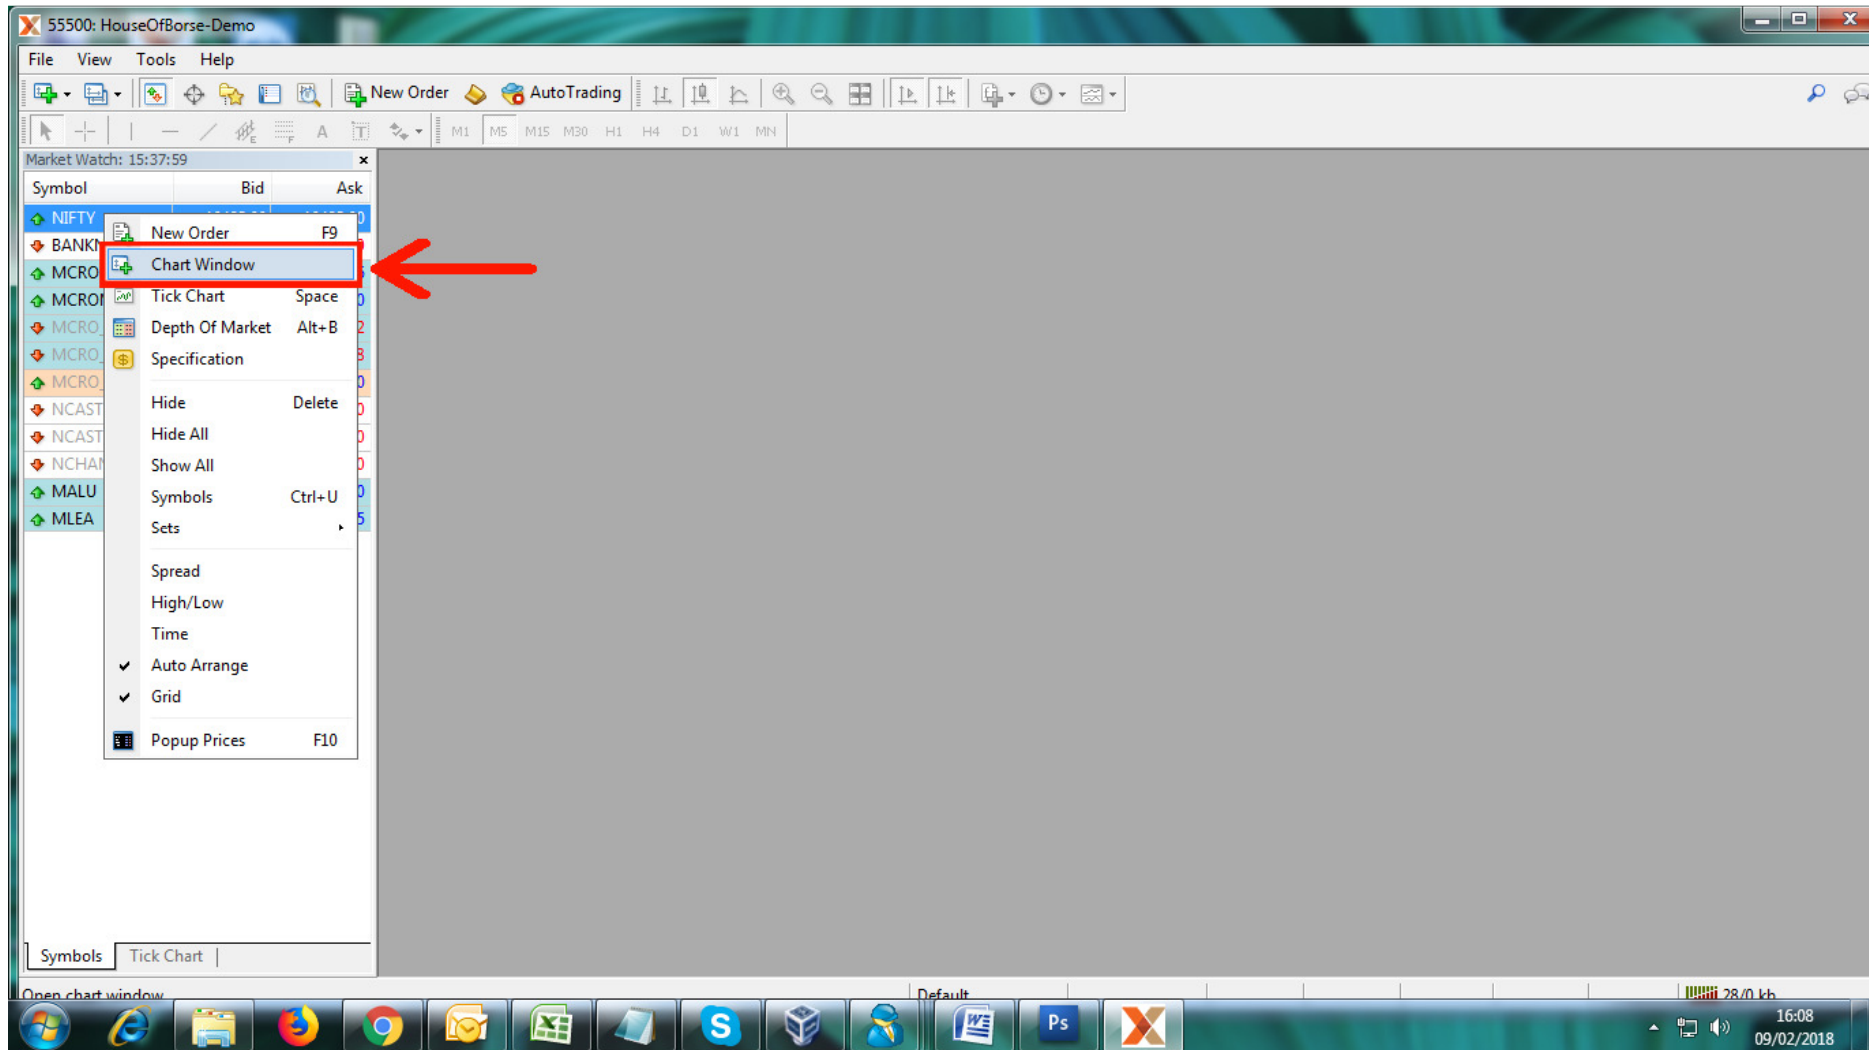

3. Select required Metatrader4 and click Next

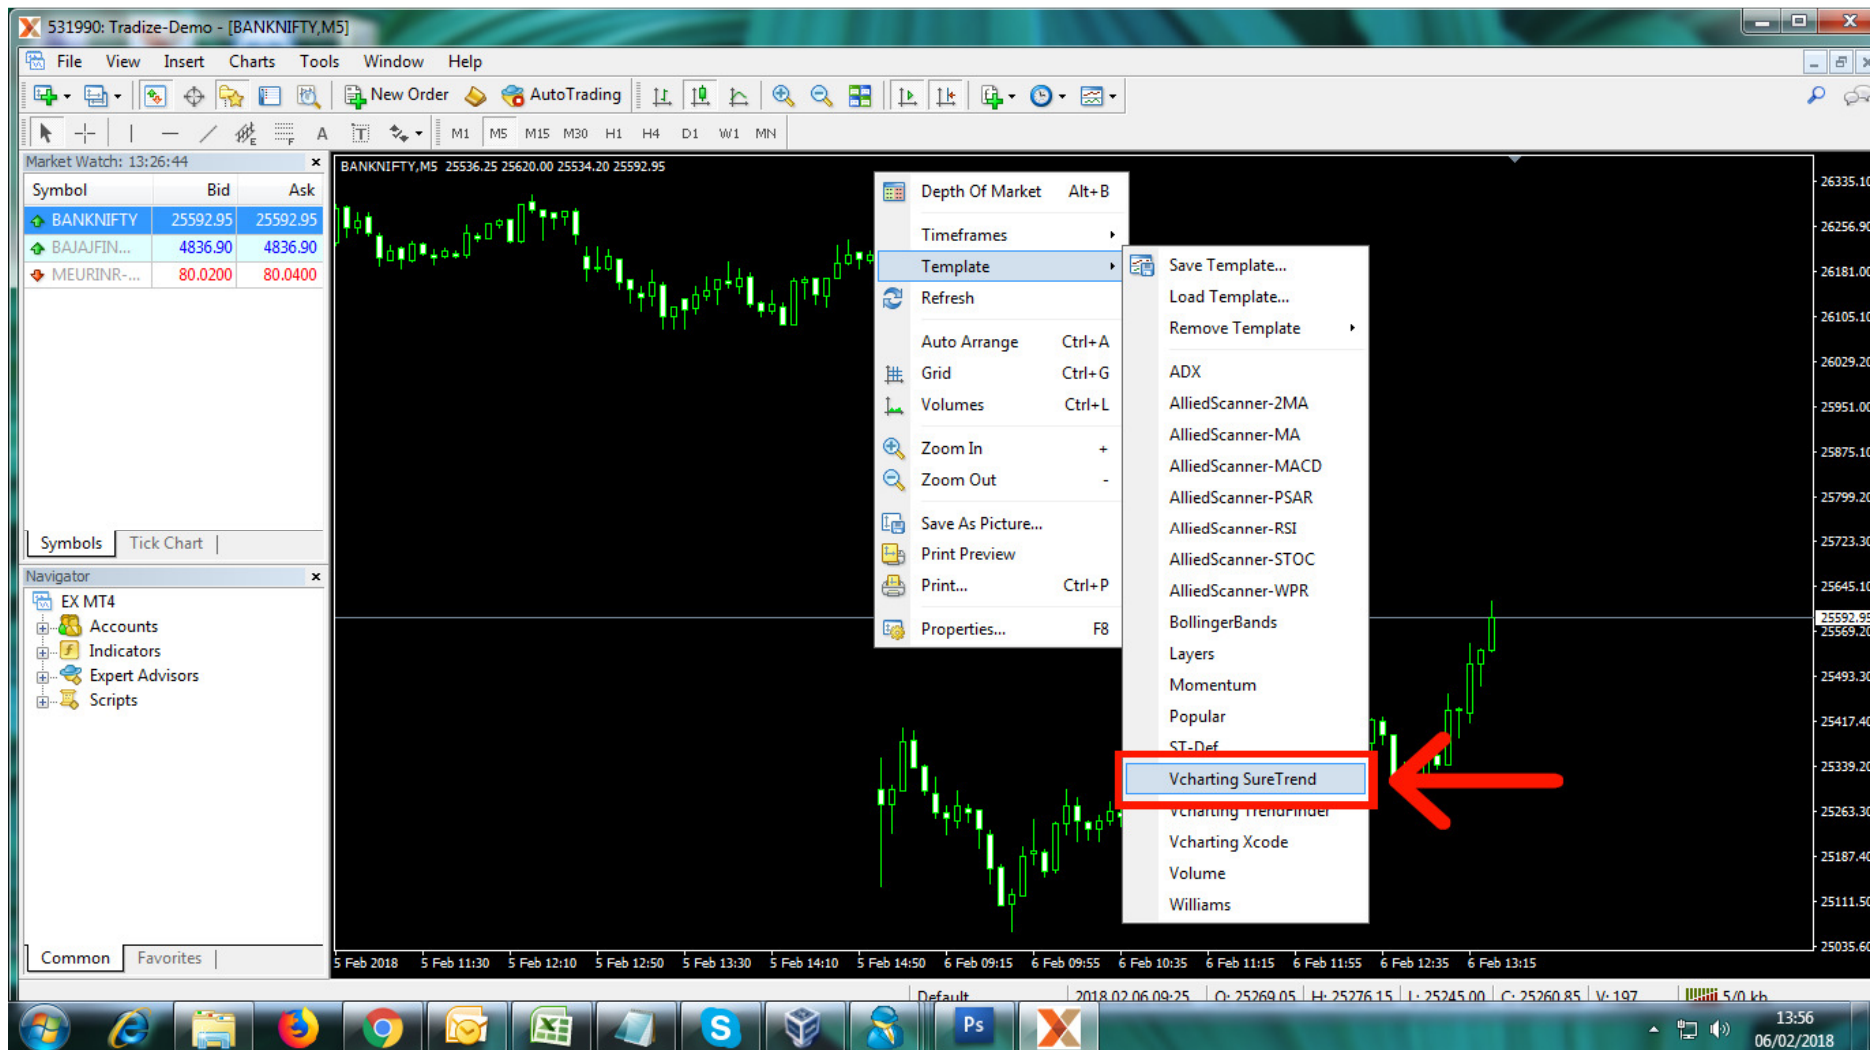

#### 4. Once installed, open Metatrader4.

5. Right click any symbol in market watch and then click on “Chart Window” to open the chart for that symbol.

6. Right click on open chart. Put cursor on Template. Click on template named "Vcharting SureTrend".

**7. Indicator “Vcharting SureTrend” will be applied to the chart.**
